IntenseLlama • 2 ago I mean, I've paid \$10 so far and received 2 zines, the pin and membership card, a \$40 shirt as a birthday gift, a free bodies ticket and early access to some store items. Feels very worth it to me. Out of curiosity, what do you really expect for \$5 a month. Edit: forgot to mention the marcel sticker pack as well. 165

repotoast • 2y ago • Edited 2y ago Where I live a free ticket is literally worth \$15. That with a \$10 pin and two \$6 zines has my current value at \$37. One more free ticket will pretty much pay off the annual membership I bought before I even get a birthday gift. It took some time for the membership to start showing its worth, but I'm starting to feel satisfied with it. Gotta remember that this is still a new thing. 50

BunnyIsARider2 • 2 ago It really sucks for non american members. It's like 12-13 canadian dollars a month for canadians, and shipping to here from a24 always costs like \$10-30. Not to mention 0 offers of free viewings in canada. Even their virtual viewings are limited to the US. It's totally worth it for american fans of a24 but sucks for everyone else. 17

aligatocodile • 2 ago Everyone in here mad but I'm just like thanks for the heads up about the cute socks! 52
